

## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>Methyl 1H-pyrazole-3-carboxylate</b> |
| Specifications & Purity: | 97%                                     |
| SKU #                    | <b>M124706</b>                          |

| Parameter            | Limit Values              |
|----------------------|---------------------------|
| Melting point        | 144-148 (°C)              |
| Purity(GC)           | 97-100 (%)                |
| Appearance (M124706) | White to Off-White Powder |
| Proton NMR spectrum  | Conforms to Structure     |
