

Specification Sheet

Product Name: **Methylnitrophthalimide**
Specifications & Purity: **≥99.0%(HPLC)**
SKU #: **M133435**

Parameter	Limit Values
Purity(HPLC)	98-100 (%)
Melting point	177-180 (°C)
Appearance (M133435)	White to Light Yellow Powder or Solid or chunks
Infrared spectrum	Conforms to Structure
Solubility in Toluene	almost transparency
