## Specification Sheet

|                          |                            |
|--------------------------|----------------------------|
| Product Name:            | <b>Methoxyhydroquinone</b> |
| Specifications & Purity: | ≥97%(GC)                   |
| SKU #                    | <b>M136895</b>             |

| Parameter            | Limit Values                                      |
|----------------------|---------------------------------------------------|
| Melting point        | 87-91 (°C)                                        |
| Purity(GC)           | 97-100 (%)                                        |
| Appearance (M136895) | White to Dark Grey,Brown Powder,Crystal or Chunks |
| Infrared spectrum    | Conforms to Structure                             |
| Solubility in MeOH   | almost transparency                               |
