

Specification Sheet

Product Name:	Magnetic Bacterial Genomic DNA Kit
Specifications & Purity:	BioReagent, for DNA and RNA applications
SKU #	M1373368-48T

Parameter	Limit Values
Appearance (M1373368A)	White powder
Appearance (M1373368B)	Colorless liquid
Appearance (M1373368C)	Colorless liquid
Appearance (M1373368D)	Yellow liquid
Appearance (M1373368E)	Black to brown liquid
Appearance (M1373368F)	Colorless liquid
Appearance (M1373368G)	Colorless liquid
Appearance (M1373368H)	Colorless liquid
Appearance (M1373368I)	Colorless liquid
Appearance (M1373368J)	Colorless liquid
Appearance (M1373368K)	Mixture of white and colorless grin beads
Seal Integrity Testing	Conform
Performance (DNA extraction)	Conform
