

## Specification Sheet

|                          |                                            |
|--------------------------|--------------------------------------------|
| Product Name:            | <b>Magnetic Endo-free Plasmid Mini Kit</b> |
| Specifications & Purity: | BioReagent, for DNA and RNA applications   |
| SKU #                    | <b>M1373511-48T</b>                        |

**Parameter**

Appearance (M1373511A)  
Appearance (M1373511B)  
Appearance (M1373511C)  
Appearance (M1373511D)  
Appearance (M1373511E)  
Appearance (M1373511F)  
Appearance (M1373511G)  
Appearance (M1373511H)  
Appearance (M1373511I)  
Appearance (M1373511J)  
Seal Integrity Testing  
Performance (DNA extraction)

**Limit Values**

White powder  
Colorless liquid  
Colorless liquid  
Colorless liquid  
Blue viscous liquid  
Colorless liquid  
Yellow to brown liquid  
Colorless liquid  
Colorless liquid  
Colorless liquid
