

## Specification Sheet

|                          |                                                          |
|--------------------------|----------------------------------------------------------|
| Product Name:            | <b>2,2-Dimethyl-3-hydroxypropionic Acid Methyl Ester</b> |
| Specifications & Purity: | ≥98.0%(GC)                                               |
| SKU #                    | <b>M138208</b>                                           |

| Parameter                           | Limit Values                               |
|-------------------------------------|--------------------------------------------|
| Purity(GC)                          | 98-100 (%)                                 |
| Refractive index n <sub>20</sub> /D | 1.428-1.431                                |
| Density (20°C)                      | 1.036-1.039                                |
| Appearance (M138208)                | Colorless to almost colorless clear liquid |
| Proton NMR spectrum                 | Conforms to Structure                      |
