

ALADDIN SCIENTIFIC CORPORATION

14078 Meridian Parkway, Riverside, CA. 92518

Specification Sheet

Product Name:	Monosodium Maleate Trihydrate
Specifications & Purity:	>98.0%(T)
SKU #	M158061

Parameter

Appearance (M158061)
Purity(Neutralization titration)(calcd.on anh.substance)
Water by Karl Fischer
Solubility(almost transparency in Water)
Proton NMR spectrum

Limit Values

White to Almost white powder to crystal
97.5-102.5 (%)
26-30 (%)
Pass
Conforms to structure
