

## Specification Sheet

Product Name: **3-Methoxy-2-naphthoic Acid**  
Specifications & Purity: **98%**  
SKU #: **M158590**

| Parameter            | Limit Values                                                        |
|----------------------|---------------------------------------------------------------------|
| Purity(HPLC)         | 98-100 (%)                                                          |
| Melting point        | 131-136 (°C)                                                        |
| Appearance (M158590) | White to pink to Light orange to Yellow to Green powder or crystals |
| Proton NMR spectrum  | Conforms to Structure                                               |
