## Specification Sheet

|                          |                                   |
|--------------------------|-----------------------------------|
| Product Name:            | <b>2-Mercaptopyridine N-Oxide</b> |
| Specifications & Purity: | ≥95%(T)                           |
| SKU #                    | <b>M158842</b>                    |

| Parameter                    | Limit Values                                   |
|------------------------------|------------------------------------------------|
| Purity(Iodometric Titration) | 95-100 (%)                                     |
| Melting point                | 70-73 (°C)                                     |
| Appearance (M158842)         | Off-white to yellow to greenish to black solid |
| Infrared spectrum            | Conforms to Structure                          |
