

## Specification Sheet

|                          |                                               |
|--------------------------|-----------------------------------------------|
| Product Name:            | <b>Methyl 3-(trimethylsilyl)-4-pentenoate</b> |
| Specifications & Purity: | 97%                                           |
| SKU #                    | <b>M168125</b>                                |

| Parameter            | Limit Values          |
|----------------------|-----------------------|
| Purity(GC)           | 97-100 (%)            |
| Appearance (M168125) | Colorless liquid      |
| Proton NMR spectrum  | Conforms to Structure |
