## Specification Sheet

|                          |                                      |
|--------------------------|--------------------------------------|
| Product Name:            | <b>Methyl 4-morpholinepropionate</b> |
| Specifications & Purity: | 98%                                  |
| SKU #                    | <b>M169674</b>                       |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 98-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
