## Specification Sheet

Product Name: **methyl(oxan-4-ylmethyl)amine**  
Specifications & Purity: **≥97%**  
SKU #: **M176489**

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(GC)               | 97-100 (%)            |
| NMR Spectrum 1H          | Conforms to Structure |
| GC-MS for identification | Conforms              |
