## Specification Sheet

|                          |                                                          |
|--------------------------|----------------------------------------------------------|
| Product Name:            | <b>7-methoxy-1,2,3,4-tetrahydroquinazoline-2,4-dione</b> |
| Specifications & Purity: | ≥97%                                                     |
| SKU #                    | <b>M176974</b>                                           |

| Parameter                | Limit Values                     |
|--------------------------|----------------------------------|
| Appearance(M176974)      | Off-white to light brown (Solid) |
| Purity(HPLC area)        | 97-100 (%)                       |
| NMR Spectrum 1H          | Conforms to Structure            |
| LC-MS for identification | Conforms                         |
