

## Specification Sheet

|                          |                                          |
|--------------------------|------------------------------------------|
| Product Name:            | <b>Methylhexahydrophthalic anhydride</b> |
| Specifications & Purity: | mixture of isomers, 95%                  |
| SKU #                    | <b>M189092</b>                           |

| Parameter                 | Limit Values          |
|---------------------------|-----------------------|
| Purity (total of isomers) | 95-100 (%)            |
| Appearance (M189092)      | Colorless liquid      |
| GCMS                      | Conforms to Structure |
| Infrared spectrum         | Conforms to Structure |
