

Specification Sheet

Product Name:	2-Methylsulfanylpurimidine-4-carboxylic acid
Specifications & Purity:	≥95%
SKU #	M189735

Parameter	Limit Values
Appearance(M189735)	White to pale yellow to light brown crystalline or powder
NMR Spectrum 1H	Conforms to Structure
LC-MS for identification	Conforms
Purity(HPLC area)	95-100 (%)
