## Specification Sheet

|                          |                                               |
|--------------------------|-----------------------------------------------|
| Product Name:            | <b>2-(Methylthio)Ethylamine Hydrochloride</b> |
| Specifications & Purity: | 97%                                           |
| SKU #                    | <b>M194629</b>                                |

| Parameter                               | Limit Values          |
|-----------------------------------------|-----------------------|
| Purity(Titration by AgNO <sub>3</sub> ) | 96.5-103.5 (%)        |
| Proton NMR spectrum                     | Conforms to Structure |
