## Specification Sheet

Product Name: **Methylene blue**  
Specifications & Purity: **1%**  
SKU #: **M196501**

| Parameter  | Limit Values              |
|--|---------------------------|
| Concentration  | 1-2 (%)                   |
| Appearance (M196501)   | Dark to Black-blue liquid |
| Lambda max. (662-668nm)                                      | Pass                      |
| Sensitivity to oxidant [Oxidized (Blue) Reduced (Colorless)] | pass                      |
