Specification Sheet

| | |
|--------------------------|---|
| Product Name: | Molybdenum(VI) tetrachloride oxide |
| Specifications & Purity: | ≥97% |
| SKU # | M283423 |

| Parameter | Limit Values |
|---|---------------------------------|
| Appearance (M283423) | Blue to Green Crystal to powder |
| Purity(Titration by AgNO ₃) | 96.5-103.5 (%) |
| X-Ray Diffraction | Conforms to Structure |
