

Specification Sheet

Product Name:	4-Methylthiophene-2-boronic acid (contains varying amounts of Anhydride)
Specifications & Purity:	≥97%
SKU #	M290769

Parameter	Limit Values
Appearance(M290769)	White to Light yellow powder to crystal
Purity(HPLC)	97-100 (%)
Proton NMR spectrum	Conforms to structure
Boron NMR Spectra	Conforms to Structure
