

ALADDIN SCIENTIFIC CORPORATION

14078 Meridian Parkway, Riverside, CA. 92518

Specification Sheet

Product Name: **Methacrylated Type I collagen**

Specifications & Purity:

SKU # **M301778**

Parameter

Appearance (M301778)

solubility(10mg/ml in 20mM Acetic acid, stirred overnight at 4°C, Dissolved)

Molecular weight

Limit Values

White Spongy solid

Conforms

100000-300000 (Da)
