

## Specification Sheet

|                          |                                 |
|--------------------------|---------------------------------|
| Product Name:            | <b>Methyl 3-ethynylbenzoate</b> |
| Specifications & Purity: | 97%                             |
| SKU #                    | <b>M302153</b>                  |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(GC)               | 97-100 (%)            |
| NMR Spectrum 1H          | Conforms to Structure |
| GC-MS for identification | Conforms              |
