

## Specification Sheet

|                          |                                |
|--------------------------|--------------------------------|
| Product Name:            | <b>MonoMethyl auristatin E</b> |
| Specifications & Purity: | 97%                            |
| SKU #                    | <b>M303780</b>                 |

| Parameter                | Limit Values                         |
|--------------------------|--------------------------------------|
| Appearance (M303780)     | white to off-white powder or crystal |
| Purity( total nitrogen ) | 96.5-102.5 (%)                       |
| Purity(HPLC)             | 97-100 (%)                           |
| Proton NMR spectrum      | Conforms to Structure                |
