## Specification Sheet

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| Product Name:            | (S)-6-Methoxy-2,5,7,8-tetramethylchromane-2-carboxylic acid |
| Specifications & Purity: | ≥98%                                                        |
| SKU #                    | M347516                                                     |

| Parameter                                                | Limit Values          |
|----------------------------------------------------------|-----------------------|
| Purity(HPLC)                                             | 98-100 (%)            |
| Specific Rotation $[\alpha]_{20/D}(c=1 \text{ in EtOH})$ | -71~-67 (°)           |
| Proton NMR spectrum                                      | Conforms to Structure |
