## Specification Sheet

|                          |                                                    |
|--------------------------|----------------------------------------------------|
| Product Name:            | <b>6-Methyl-indolo[1,2-c]quinazolin-12-ylamine</b> |
| Specifications & Purity: | ≥95%                                               |
| SKU #                    | <b>M349520</b>                                     |

**Parameter**

NMR Spectrum 1H

Purity(HPLC area)

LC-MS for identification

**Limit Values**

Conforms to Structure

95-100 (%)

Conforms
