## Specification Sheet

|                          |                    |
|--------------------------|--------------------|
| Product Name:            | <b>MPI-0479605</b> |
| Specifications & Purity: | 98%                |
| SKU #                    | <b>M413761</b>     |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Appearance(M413761) | White to grey solid   |
| Purity(HPLC)        | 98-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
