

## Specification Sheet

|                          |                                                           |
|--------------------------|-----------------------------------------------------------|
| Product Name:            | <b>4-Methoxy-2-methylphenylmagnesium bromide solution</b> |
| Specifications & Purity: | 0.5M in THF                                               |
| SKU #                    | <b>M466011</b>                                            |

| Parameter                                   | Limit Values                                       |
|---------------------------------------------|----------------------------------------------------|
| Concentration(Titration AgNO <sub>3</sub> ) | 0.4-0.6 (mol/L)                                    |
| Appearance(M466011)                         | Brown to Tan to Grey to Black Clear to Hazy Liquid |
| Solvent(THF)                                | Conform                                            |
