## Specification Sheet

|                          |                                        |
|--------------------------|----------------------------------------|
| Product Name:            | <b>MAL-dPEG<sub>12</sub>-TFP ester</b> |
| Specifications & Purity: | 95%                                    |
| SKU #                    | <b>M487873</b>                         |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 95-100 (%)            |
| LC-MS for identification | Conforms              |
| NMR Spectrum 1H          | Conforms to Structure |
