## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>3-(Methylsulfonyl)propanoic acid</b> |
| Specifications & Purity: | ≥97%                                    |
| SKU #                    | <b>M634285</b>                          |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 97-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
