## Specification Sheet

|                          |                                        |
|--------------------------|----------------------------------------|
| Product Name:            | <b>Melittin(trifluoroacetate salt)</b> |
| Specifications & Purity: | <b>≥97%</b>                            |
| SKU #                    | <b>M640009</b>                         |

| Parameter                | Limit Values |
|--------------------------|--------------|
| Purity(HPLC area)        | 97-100 (%)   |
| LC-MS for identification | Conforms     |
