## Specification Sheet

|                          |                                             |
|--------------------------|---------------------------------------------|
| Product Name:            | <b>8-Methyl-1-naphthalenecarboxaldehyde</b> |
| Specifications & Purity: | ≥95%                                        |
| SKU #                    | <b>M692581</b>                              |

| Parameter                | Limit Values                   |
|--------------------------|--------------------------------|
| Purity(HPLC area)        | 95-100 (%)                     |
| NMR Spectrum 1H          | Conforms to Structure          |
| LC-MS for identification | Conforms                       |
| Appearance(M692581)      | Light yellow to yellow (Solid) |
