

## Specification Sheet

|                          |                                            |
|--------------------------|--------------------------------------------|
| Product Name:            | <b>(R)-Methyl piperidine-3-carboxylate</b> |
| Specifications & Purity: | <b>≥96%</b>                                |
| SKU #                    | <b>M728230</b>                             |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 96-100 (%)            |
| NMR Spectrum 1H     | Conforms to Structure |
| Enantiomeric Excess | 99-100 (%)            |
