## Specification Sheet

Product Name: **Nickel sulfate hexahydrate**  
Specifications & Purity: 99.9% metals basis  
SKU #: **N100216**

Parameter	Limit Values
Purity(Based On Trace Metals Analysis)	99.9-100 (%)
Trace Metal Analysis	0-2000 (ppm)
Appearance (N100216)	blue to green powder or crystals
ICP:Confirms Nickel and Sulfur Component	Confirmed
Solubility in H <sub>2</sub> O , Green Clear 1 g + 7.5 mL	pass
X-Ray Diffraction	Conforms to Structure
