## Specification Sheet

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Product Name:            | <b>3-(N,N-Dimethylamino)phenylboronic Acid(contains varying amounts of Anhydride)</b> |
| Specifications & Purity: | <b>≥95%</b>                                                                           |
| SKU #                    | <b>N133051</b>                                                                        |

| Parameter            | Limit Values                                      |
|----------------------|---------------------------------------------------|
| Appearance (N133051) | White to Grey to Purple Powder,Crystals or Chunks |
| Proton NMR spectrum  | Conforms to Structure                             |
| Purity(HPLC)         | 95-100 (%)                                        |
