

## Specification Sheet

|                          |                                  |
|--------------------------|----------------------------------|
| Product Name:            | <b>N,N-Dimethylthioacetamide</b> |
| Specifications & Purity: | 97%                              |
| SKU #                    | <b>N140450</b>                   |

| Parameter            | Limit Values                                       |
|----------------------|----------------------------------------------------|
| Melting point        | 71-75 (°C)                                         |
| Purity(HPLC)         | 97-100 (%)                                         |
| Appearance (N140450) | White to Light Brown Powder,Crystals,Solid ,Chunks |
| Proton NMR spectrum  | Conforms to Structure                              |
