Specification Sheet

Product Name: **5-Norbornene-2,3-dicarboximide**
Specifications & Purity: >98.0%(HPLC)(T)
SKU #: **N159132**

| Parameter | Limit Values |
|----------------------------------|--------------------------|
| Purity(HPLC) | 98-100 (%) |
| Melting point | 181-187 (°C) |
| Purity(Neutralization titration) | 97.5-102.5 (%) |
| Appearance (N159132) | White to off-white solid |
| Proton NMR spectrum | Conforms to Structure |
