## Specification Sheet

|                          |                                 |
|--------------------------|---------------------------------|
| Product Name:            | <b>N,4'-Dimethylformanilide</b> |
| Specifications & Purity: | ≥96%                            |
| SKU #                    | <b>N159308</b>                  |

| Parameter           | Limit Values                                                                 |
|---------------------|------------------------------------------------------------------------------|
| Appearance(N159308) | White to off-white to Light yellow to Yellow to Orange clear liquid or solid |
| Purity(GC)          | 96-100 (%)                                                                   |
| NMR Spectrum 1H     | Conforms to Structure                                                        |
