

## Specification Sheet

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| Product Name:            | <b>N-[4-Cyano-3-(trifluoromethyl)phenyl]methacrylamide</b> |
| Specifications & Purity: | <b>&gt;98.0%(GC)</b>                                       |
| SKU #                    | <b>N159437</b>                                             |

| Parameter           | Limit Values                            |
|---------------------|-----------------------------------------|
| Appearance(N159437) | White to Almost white powder to crystal |
| Purity(GC)          | 98-100 (%)                              |
| Melting point       | 141-145 (°C)                            |
| Proton NMR spectrum | Conforms to structure                   |
| FNMR spectrum       | Conforms to Structure                   |
