## Specification Sheet

|                          |                                        |
|--------------------------|----------------------------------------|
| Product Name:            | <b>N,N,N',N'-Tetramethylmalonamide</b> |
| Specifications & Purity: | <b>≥97%</b>                            |
| SKU #                    | <b>N159447</b>                         |

| Parameter                           | Limit Values                                               |
|-------------------------------------|------------------------------------------------------------|
| Purity(GC)                          | 97-100 (%)                                                 |
| NMR Spectrum 1H                     | Conforms to structure                                      |
| Appearance(N159447)                 | Colorless to Almost Colorless Clear to Light Yellow Liquid |
| Refractive index n <sub>20</sub> /D | 1.490-1.494                                                |
