Specification Sheet

Product Name: **4-n-Octyloxyphenol**
Specifications & Purity: **≥98%(GC)**
SKU #: **N159576**

Parameter	Limit Values
Proton NMR spectrum	Conforms to Structure
Purity(GC)	98-100 (%)
Melting point	59-62 (°C)
Solubility in Methanol	almost transparency
Appearance(N159576)	White to Light yellow to cream to Light orange to Light red powder to crystalline solid
