

## Specification Sheet

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| Product Name:            | <b>N-(Trimethylsilyl)bis(trifluoromethanesulfonyl)imide</b> |
| Specifications & Purity: | <b>&gt;97.0%(T)</b>                                         |
| SKU #                    | <b>N159640</b>                                              |

| Parameter                    | Limit Values                           |
|------------------------------|----------------------------------------|
| Appearance(N159640)          | Colorless to Red to Green clear liquid |
| purity(Nonaqueous titration) | 97-102.5(%)                            |
| Proton NMR spectrum          | Conforms to structure                  |
| Fluorine NMR Spectrum        | Conforms to structure                  |
