

## Specification Sheet

|                          |                                                                   |
|--------------------------|-------------------------------------------------------------------|
| Product Name:            | <b>N-[3-(aminomethyl)pyridin-2-yl]-N-methylmethanesulfonamide</b> |
| Specifications & Purity: | 97%                                                               |
| SKU #                    | <b>N178354</b>                                                    |

| Parameter            | Limit Values              |
|----------------------|---------------------------|
| Purity(HPLC)         | 97-100 (%)                |
| Appearance (N178354) | white to light grey solid |
| Proton NMR spectrum  | Conforms to Structure     |
