

## Specification Sheet

Product Name: **4-(4-Methylphenylsulfonamido)benzoic acid**  
Specifications & Purity: **≥95%**  
SKU #: **N184072**

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 95-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
