## Specification Sheet

|                          |   |
|--------------------------|---|
| Product Name:            | <b>Didecyldimethylammonium chloride</b> |
| Specifications & Purity: | 95%                                     |
| SKU #                    | <b>N194743</b>                          |

| <b>Parameter</b>     | <b>Limit Values</b>                                |
|----------------------|--|
| Purity(Titration)    | 95-100 (%)   |
| Appearance (N194743) | Colorless/White to Yellow to Beige Liquid or Solid |
| Proton NMR spectrum  | Conforms to Structure                              |
