## Specification Sheet

|                          |                                          |
|--------------------------|------------------------------------------|
| Product Name:            | <b>Ethenesulfonic acid dimethylamide</b> |
| Specifications & Purity: | ≥95%                                     |
| SKU #                    | <b>N194988</b>                           |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(GC)               | 95-100 (%)            |
| GC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
