## Specification Sheet

Product Name: **Nistose Trihydrate**  
Specifications & Purity: **≥99.0%(HPLC)**  
SKU #: **N298957**

| Parameter                                                                                           | Limit Values        |
|-----------------------------------------------------------------------------------------------------|---------------------|
| Specific Rotation $[\alpha]_{20/D}(c=4 \text{ in H}_2\text{O})$ [included NH <sub>3</sub> aq.(2+3)] | 9-11 (°)            |
| Purity(HPLC)                                                                                        | 99-100 (%)          |
| LC-MS Test                                                                                          | Pass                |
| Solubility in H <sub>2</sub> O                                                                      | Almost transparency |
