## Specification Sheet

Product Name: **Amino Nitrogen in Water**  
Specifications & Purity: 100µg/ml ±2% (20°C)  
SKU #: **N299458**

| Parameter            | Limit Values                  |
|----------------------|-------------------------------|
| Concentration        | 98-102 (µg/ml)                |
| Appearance (N299458) | Colorless, transparent liquid |
