## Specification Sheet

|                          |                                             |
|--------------------------|---------------------------------------------|
| Product Name:            | <b>N(alpha)-Ethoxycarbonyl-L-asparagine</b> |
| Specifications & Purity: | 97%                                         |
| SKU #                    | <b>N299983</b>                              |

| Parameter            | Limit Values          |
|----------------------|-----------------------|
| Purity(HPLC)         | 97-100 (%)            |
| Appearance (N299983) | White Solid           |
| Proton NMR spectrum  | Conforms to Structure |
