## Specification Sheet

Product Name: **3-Nitrophenylacetylene**  
Specifications & Purity: **98%**  
SKU #: **N303382**

| Parameter                 | Limit Values                      |
|---------------------------|-----------------------------------|
| Purity(GC)                | 98-100 (%)                        |
| Appearance (N303382Color) | White to Yellow to Brown to Green |
| Appearance (N303382Form)  | Solid or Liquid                   |
| Proton NMR spectrum       | Conforms to Structure             |
