## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>N-Acetylcysteamine</b> |
| Specifications & Purity: | ≥94%                      |
| SKU #                    | <b>N347842</b>            |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Proton NMR spectrum | Conforms to Structure |
| Purity(HPLC)        | 94-100 (%)            |
