## Specification Sheet

Product Name: **4-Nitrobenzoic Acid-d4**  
Specifications & Purity: **≥98%(CP), ≥98 atom% D**  
SKU #: **N358735**

| Parameter                  | Limit Values          |
|----------------------------|-----------------------|
| Isotopic purity (Atom % D) | 98-100 (%)            |
| Proton NMR spectrum        | Conforms to Structure |
| Purity(GC)                 | 98-100 (%)            |
| GC-MS for identification   | Conforms              |
